

WANDS A BIG HIT AT CRAY FESTIVAL

By Jerry Dowlen

Cray Wanderers FC took part in the Cray Festival held at St Mary Cray Recreation Ground on Saturday, 27 June 2009.

A large and enthusiastic crowd of local residents enjoyed a splendid day of family fun and sun.

Club chairman, Gary Hillman, was extremely gratified by the many messages of support that he received during the day.

News of the Club's recent success has certainly been spreading through the district! The Wands will be playing Ryman Premier League football in 2009-10, their 150th season. Moreover, the club has announced its intention to return to its roots in the Crays, by building a brand new ground at the Sandy Lane site in St Paul's Cray.

During the afternoon, at the Cray Wanderers "shoot at the net" stall, there was an opportunity for youngsters (and some not-so-young!) to see their

ball-kicking speed measured on the electronic timer. Our thanks go to Cray players Tyrone, Richmond and Reggie for organising this.

Let's hope that all the Cray forwards will be crashing the ball into the net in such fine style when the 2009-10 season starts!
