## **SPECTATOR PARKING**

Due to the limited car parking space available at the Horsham YMCA ground, Horsham FC will not be able offer spectator car parking at home matches for season 2009 / 2010 - apart from provision for a limited number parking season ticket holders.

Please note that the Goring's Mead Road is now designated for residents parking only and there is, therefore, no parking available in that thoroughfare.

Disabled badge holders will be allowed to park at the ground - space permitting.
