

DIRECTIONS TO SUTTON UNITED FC

By Car

Travel along the M25 to junction 8. Then north on the A217 for about 15-20 minutes. Ignoring signs for Sutton itself, stay on the A217 to the traffic lights by the Gander Inn (on the left), turn **right** into Gander Green Lane. The Borough Sports Ground is about 200 yards up this road on the left hand side, if you reach West Sutton station you have gone too far.

By Rail

West Sutton railway Station is adjacent to the ground. It is served by Thameslink trains via Wimbledon or Sutton. Come out of West Sutton station and turn right into Gander Green Lane and the ground is about 100 yards further along.

By Bus

The 413 hoppla service runs past the ground down Gander Green lane. The bus will stop on request anywhere in Gander Green Lane. The bus leaves Sutton Town centre from outside the main post office. The 80 route from Hackbridge to Belmont runs down Collingwood Road. The ground can be reached by taking the path through Collingwood Rec. Buses cost £1.20 for adults and 40p for children. All children under 11 travel free.

Parking

There are about 200 parking spaces in the car park behind the grandstand and lots of roads around Gander Green Lane to park.
